**PROGRAM GUIDELINES**

- NAUEA pays 50% of the total project costs with a \$2,500 maximum and a \$500 minimum matching grant program for eligible improvements. The property owner is responsible for 50% of the project costs and any excess costs.
- **Application must be approved (or rejected) in writing. You must submit an application prior to work beginning.**
- A cost estimate must accompany application along with a “before” photograph and include plans, as well as all other pertinent information regarding the project. Estimates must include materials/products list breakdown. We do not reimburse for labor costs. Owner makes selection of contractor.
- NAUEA will rebate the property owner after work is completed *and* a final paid invoice is submitted and a copy of canceled checks for applicant’s half is provided. An “after” photograph must also be included.
- All work must be completed and funded within six (6) months of application approval, with a three (3) month extension is available by request.
