**Mr. Sartell** stated that they have a spot at 308 East Oak Street that sinking and they need to get quotes to do this repair. He informed them that it is going to be more than just point repairs and they will need an engineer to review this. He stated that he does not need any action on this today, but he would like for them to review this for the next meeting.

**COMMUNICATIONS - PUBLIC:**

**Bob Tuma**, introduced John Serbinak, Terri Gillcrest, Ted Iverson, all of General Mills, and he stated that they are here to speak on the proposed ordinance and permit for industrial wastewater.

**Terri Gillcrest**, thanked EMC for sharing the draft ordinance and permit with them, and they do agree with the majority of the same. However, they do have issues with some of the levels of compliance. She asked that they be given a few weeks to resolve their concerns.

**Mr. Fifer** explained to them that this has not been published yet and they will have to go through the public hearing process and they will have plenty of time to resolve their concerns.

**COMMUNICATIONS - CITY OFFICIALS**

**Kay Garry** informed them that everything in her office is paid.

**Mr. Rosenbarger** stated that he is

**SEWER ADJUSTMENTS:**

**Mrs. Welsh presented the following adjustments:**

Hardin Investment had a leak within a wall but she pointed out that they have had several issues with their plumbing and it is hard to tell what did go into the sewers. They are asking for an adjustment in the amount of \$600.76

**Mr. Brinkworth moved to split the cost in half, Mr. Wilkinson second, all voted in favor.**

Wesley Chapel had a main water line leak that was repaired by Coupling Plumbers who dug a 6-8 foot ditch to reach the waterline and leak. The water went into the ground and they are asking for an adjustment in the amount of \$6705.30

**FINACIAL REPORT:**

**Mr. Wilkinson** reviewed his financial report with the board.

**Mrs. Garry** stated that she has reviewed all the reimbursement from SRF that has been sent up.

**NEW BUSINESS:**

**Item #1 - Greg Fifer re: Joint resolution between the Sewer Board and the Redevelopment Commission.**

**Mr. Fifer** stated that in his last tenure as the attorney for the board he created a resolution for an allocation of 25,000 credits for the Grant Line Road Industrial Park West, and due to the

**Mr. Brinkworth moved to approve and execute the letters for the allocation and variance request for the Grant Line Road Industrial, Mr. Wilkinson second, all voted in favor.**

**Item #2 - Roger Harbison on behalf of Bob Elsby re: request to recapture part of his cost for Highlander Point sewer extension.**

**Mr. Harbison** stated that he received a call regarding the amount of reimbursement for the Highland point line. He informed Mr. Elsby that the sewer utility refunded the unused sewer taps to the developer of Reflection Ridge so the utility and the developers that receive a recapture fee would be on the same basis and on future sewer taps we would collect the utilities tap fee and the recapture reimbursement fee on the same basis. He asked to confirm the information he had given Mr. Elsby was correct.

**Mr. Fifer** confirmed the information he had given Mr. Elsby was correct and stated that he still needs to get that agreement recorded. He indicated he would have the document recorded within the next 60 days

**Item #3 - Bob Woosley re: Georgetown Wastewater Treatment Plant progress.**

**Mr. Woosley**, Heritage Engineering, presented pictures of their sewer plant in Georgetown which is substantially complete. He stated that they are still working on reversing the flow but there is a substantially smaller amount of effluent coming into New Albany. He stated that they are currently working on the issue of sulfides for the reduced flow to New Albany for the interim construction while they are working on the force main.

**There was a lengthy discussion regarding the plan for the force main construction.**

**Mr. Fifer** asked if there was flow meter on the discharge line.

**Mr. Woosley** stated that they currently have three meters.

**Mr. Fifer** requested that when they have a full month of their discharge flow data after the west lift station is brought on line, that they provide that information to us so we can send the information on to the EPA to show the amount of reduced flow we have to request additional sewer credits.

**D.A. Andrews** informed the board that they have lived up to the agreement, but they do have one wild card. Floyd County has a gateway community in Edwardsville

**OLD BUSINESS:**

**Mr. Wilkinson** presented information regarding the quotes on the truck they are looking for. He stated that he is having a hard time looking for what the specs they need, and only Ford has it available. He presented quotes from Heritage Ford, O'Neil Ford, Carriage Ford, and AllState Ford.

**There was a lengthy discussion regarding the specifics of the truck and the box.**

**Mr. Harbison** asked about the destination charge.

**Mr. Wilkinson** stated that they all

**Mr. Brinkworth** moved to approve O'Neil's bid for \$36,929.00, **Mr. Wilkinson** second, all voted in favor.

**There was a lengthy discussion on whether or not they wanted to go with an aluminum box or a fiberglass box.**

**Mr. Fifer** stated that they gave him authorization to make an offer on a sewer easement for 1829 McDonald Avenue for \$19,750

**Mr. Harbison** moved to approve, **Mr. Brinkworth** second, all voted in favor.

**Mr. Fifer** stated that Mr. Christmas presented to them information regarding an issue with Vectren where they but a gas line through the sewer easement without the permission to do so. He has a Release from Vectren allowing them to maintain their gas line with payment of 13880

**Mr. Brinkworth** moved to approve, **Mr. Wilkinson** second, all voted in favor.

**Mr. Fifer** presented them with a resolution amending the summer watering program. He stated that he based this on the current ordinance that is currently on the books. This will need to be given to the council and if they have any problems with how this is being done then they will need to change it with an ordinance.

**There was a lengthy discussion regarding the months that they will be discounting and the months that will be used to calculate the average and the aspect of the burden on the administration to keep track of the people who request the discount.**

**Mr. Brinkworth** stated that he wants to extend it to September to include the people that do landscaping

**Mr. Harbison** agreed.

**Mr. Fifer** reviewed the changes of the number of months and the sign up process.

**Mr. Brinkworth** asked if this discount would be year to year or if the customers once signed up would remain on the discount program. It was decided the customers would stay on the program and would not need to sign up each year as long as the customer status did not change.

**Mr. Harbison moved to approve the resolution with the amendments, Mr. Brinkworth second, all voted in favor.**

**Mrs. Welsh** stated that she did prepare tape fee worksheet for auto Zone Item - Clark Dietz Update
