SEWER ADJUSTMENTS:

Mrs. Dickey presented an adjustment request for John Sisk in the amount of \$1,096.62 for a leak that occurred at the reverse osmosis line under the kitchen sink. She explained that the water pooled under the cabinet until it came out on the patio. She said that the leak was repaired by Stemler Plumbing, Inc. Supporting documents are attached.

Mr. Wilkinson stated that on the paperwork they did answer that they have a sump pump but not where the sump pump goes. He explained that if all of the water went under the sink it would have been noticed so it seems to him that it had to go into the sump pump so they are going to need more information before they make a decision.

Mrs. Dickey presented an adjustment request for M&V Coin Laundry in the amount of \$2,393.17 for a leak that occurred in the main line outside of the building. She explained that the water went under the building. She said that the leak was repaired by R. Owen Plumbing and Luther's Paving. Supporting documents are attached.

Mr. Grimes moved to approve, Mr. Wilkinson second, all voted in favor with the exception of Mayor Gahan who was not present.

2. Ed Wilkinson re: United Consulting Supplemental Agreement
