APPROVAL OR CORRECTION OF THE FOLLOWING MINUTES:

Mr. Wilkinson moved to approve the July 22nd meeting minutes as amended, Mr. Brinkworth second, all voted in favor.

BIDS:

COMMUNICATIONS - PUBLIC:

COMMUNICATIONS - CITY OFFICIALS

Mrs. Garry presented a letter that she wrote asking New York Mellon to be the registrar of all the utilities bonds. She gave them the financing schedule for the SRF. She stated that they are still sitting on some claims in the amount of \$1,235,862.10 and they have a total of \$247,289.11 in the fund.

Mr. Marinaro stated that he got information from Grip for monthly maintenance in the amount of \$1094.50 and \$875.00 if they have to go into the manhole which they only had to do twice last year. He recommended that they approve this. He informed the board that

Mr. Christmas asked if that would change if several meters were added in the future.

Mr. Marinaro stated that was the quote for 11 meters which is approximately \$100 per meter.

There was a lengthy discussion regarding the quotes.

Mr. Brinkworth moved to approve the contract with Gripp, Mr. Wilkinson second, all voted in favor.

SEWER ADJUSTMENTS:

Ms. Welsh presented an adjustment for Robert and Susan Summers at 3810 Wayne St. in the amount of \$1,282.40. She explained that they had to replace a water line and the water was "absorbed into the ground and discharged out the sump pump.

Mr. Brinkworth moved to approve, Mr. Wilkinson second, all voted in favor.

Ms. Welsh informed the board that the time to pay for the pre-liens is up. She explained that they had a tremendous turn out of payers once the letters went out and in one day they collected \$70,000.00

NEW BUSINESS:

OLD BUSINESS:

Mr. Wilkinson explained that he has changed the financial report slightly and he reviewed the changes with the board. Said reports are on file with the City Clerk's office. He stated that with the rate increase they are seeing a slight increase in their revenue and he would like to terminate the last month of the summer watering program.

Mr. Brinkworth stated that would only give people a two week notice.

Mr. Wilkinson stated that they would add into the message that if they need an adjustment they can bring them into the office.

There was a lengthy discussion regarding terminating the last month of the summer watering program.

Mr. Brinkworth asked if Mr. Wilkinson would consider eliminating 50% rather than the full month.

Ms. Welsh informed them that they could not do a 50% discount.

Mr. Wilkinson stated that he misunderstood how the billing was done and he doesn't think they should terminate the discount while they are two weeks into the last month. He withdrew his motion.

Mr. Brinkworth informed the board that he has been looking into some trucks for the use of the pipe lining in the range of \$21,200.00. He said that what they would do is allow them to pay \$2,500 up front and then pay the balance in January when the SRF money comes in. He explained that the truck will be sent to Virginia to be outfitted with the lining equipment and stated that he doesn't need an answer today if they want to think it over, but the truck will be in their shop in Louisville in the next 7 days so they can go and look at it.

Kristin Dunway presented the board with the Sanitary Sewer Overflow Standard of Operation procedures and reviewed what was covered in the manual. She presented new quote from the lab due to fewer samples than what they estimated. She informed them that she can look into other labs, but this is standard pricing for most labs. She stated that they received the K & E reports and they will compare their findings to theirs and let them know if there are any areas that can be removed from monitoring.

Item #1 - Clark Dietz Update

Wes Christmas addressed the board regarding the PER's for SRF projects. He informed them that he had a conference call with SRF to go over any additional information they wanted and he will get those out tomorrow and if he doesn't see anything that would hold up the closing date.

Mr. Wilkinson asked what questions they had.

Mr. Christmas stated that it was mostly technical information and they wanted the old CAP which he got to them.
