had a very favorable response to the new location.

**Mayor Gahan** asked if people were still coming up to the third floor to try and pay their  
bill.

**Mrs. Dickey** replied yes. She stated that there are signs by the first floor elevator and on  
the old office door to direct people to the new location. She added that they send out an  
announcement in the last bills to let people know that they had moved.

**Mayor Gahan** asked that they send out another message in the next billing cycle.

**Mr. Christmas** stated that they had their progress meeting on the Grant Line Road lift station and it is about 50% complete. He explained that they are on track to meet the contractual completion dates of substantial in May and final in June. He stated that the masonry work and the roof on the new electrical building is complete and they will begin installing a lot of the electrical equipment next month.

**UTILITY REPORT:**

**Mr. Sartell** stated that they are doing an emergency repair behind the bar on Culbertson and 15<sup>th</sup>. He explained that the sink hole opened up and it keeps getting larger. He stated that they had hoped to patch it with rock until they had better weather but they are to the point now that it needs to be repaired. He explained that the McLean Lift Station is substantially complete and online and stated that part of the project addressed a storm water component. He explained that there was a pipe that was choking down in size and caused flooding to the residents quite often so they upsized the pipe and the residents have been very happy with the work.

**Mayor Gahan** asked for the location on that.

**Mr. Sartell** replied McLean and Ross.

**Mayor Gahan** stated that there was one resident there that has really taken on the chin.

**Mr. Sartell** stated that the storm line goes under his driveway so it would back up and flood his driveway and his shed. He added that they had a 3" rain in December and the pipe was only half full so hopefully that will continue to be the situation.

**CLAIMS:**

**Mrs. Moeller** presented the following claims for the period of 01/26/17-02/08/174 in the amount of \$1,073,444.33:
