Mrs. Garry stated that SRF has paid everything except the two sent up on 8/8/11 from Kelsey and Mac. She thanked the board for the new hire on claims system and stated that they are going much smoother.

SEWER ADJUSTMENTS:

FINANCIAL REPORT:

Mr. Wilkinson went over the financial report with the board; said report is on file with the City Clerk's Office.

Mr. Brinkworth asked about the liens that were still outstanding.

Ms. Welsh stated that they have about \$300,000.00 still outstanding and there hasn't been any talk about foreclosure on any of the properties.

Mr. Wilkinson stated that the system that they implemented is starting to run on a rhythm and they went from \$3,000.00 cost on recording the liens to \$30,000.00 so they can see that it is working.

Mr. Wilkinson presented the budget for next year and went over the changes and groupings that were made with the board. Said budget is on file with the City Clerk's Office.

Mr. Brinkworth made a motion to approve the budget, Mr. Wilkinson second, all voted in favor.

Mr. Lahanis stated that he would scan the budget and send a copy to Mr. Fifer.

NEW BUSINESS:

Item #1 - Alan Clark re: Information on Arcadis including wastewater engineering experience and credentials.

Mr. Clark addressed the board and thanked them for the opportunity to talk with them. He gave some history about the background of their engineering company including their work with Indianapolis, Fort Wayne, and Evansville.

Mr. Harbison stated that they would look over the information and get back with them in the future.

OLD BUSINESS:

Item #1 - Clark Dietz Update

Mr. Christmas stated that the Basin 4 interceptor project pipe work has been completed but they are holding off on service overlay because of testing and that should be started the week of September 5th and completed in the next 30 days. He explained that on Basin 27 Mac should be finished laying the main sewer pipe on McDonald Lane today and they are going to try to get some restoration work for traffic issues and he will verify that this afternoon. He stated that they are working with Community Bank and Mac to get access to extend the sewer 100 ft. to eliminate some hydraulic problems. He explained that the at the Mt. Tabor Lift Station they changed out two of the four pumps and Basin 14 is still waiting for some equipment to come in but they should see some activity at the site in the next month. He stated that the TV truck was delivered to Florida and once the truck is available the training can take place for the lining crew.

Mr. Brinkworth stated that on July 14th they had an adjustment request from Mr. Zurschmiede and he wanted to know if they ever head back

Ms. Welsh stated that the tenant has been evicted and she processed his adjustment.
