RESIDENTIAL FAÇADE IMPROVEMENT GRANT APPLICATION
FIRST COME, FIRST SERVED, LIMITED FUNDS

The New Albany Urban Enterprise Association offers grants to homeowners within the boundaries of the zone for neighborhood improvement. The NAUEA’s main objectives for the grant program are visual improvements, historic preservation and structural integrity. These grants are to be used for upgrades to facades, they are not intended for annual maintenance projects.

PROGRAM GUIDELINES

- NAUEA pays 50% of the total project costs with a \$2,500 maximum and a \$500 minimum matching grant program, for eligible improvements. The property owner is responsible for 50% of the project costs and any excess costs.
- **You must submit an application prior to work beginning to obtain pre-approval.**
- A cost estimate must accompany application along with a “before” photograph and include plans, as well as, all other pertinent information regarding the project. Estimates must include materials/products list breakdown. We do not reimburse for homeowner labor costs. Owner makes selection of contractor.
- NAUEA will rebate the property owner after work is completed and a final paid invoice is submitted, a copy of canceled checks for applicant’s half is provided and “after” photographs are included.
- All work must be completed and funded within six (6) months of application approval, with a three (3) month extension available by request.
